ARTICLE IV

COVENANT FOR MAINTENANCE ASSESSMENTS

Section 1. Creation of Lien and Personal Obligations of Assessments. Declarant and each Owner, for each Lot owned, hereby covenant and agree to pay to the Association an initiation fee; and annual, special and individual assessments, which shall be established and collected as herein provided. Each assessment, together with all other charges authorized pursuant to Article IX, Section 4, which are deemed a part of the assessment, shall be a charge and a continuing lien upon the lot against which the

assessment is made from the date the assessment became due, and shall be the personal obligation of the Owner of the Lot at the time the assessment became due. The personal obligation for delinquent assessments shall not pass to the Owner's successors in title unless expressly assumed by them. The obligations of the article shall bind each Lot and each Owner regardless of whether ownership was acquired by deed or operation of law, and regardless of whether so expressed in the deed or other document of title. No Owner may avoid liability for the assessments provided for herein by abandonment, nonuse or waiver of the use or enjoyment of his Lot, or otherwise.

Section 2. Purpose of Assessments. Assessments shall be used exclusively for expenses of the Association reasonably incurred in the performance of its duties and responsibilities, including the maintenance of reasonable reserves, and to promote the health, aesthetics, recreation, safety and general welfare of WALNUT GROVE, SECTION 13, and the Owners and occupants thereof.

Section 3: Annual Assessments. The Board of Directors shall levy annual assessment for each calendar year. The amount of the annual assessment shall be established by the Board by December 1 of each year for the following calendar year, and written notice thereof shall be sent to every Owner. If the Board fails to establish an assessment for an assessment year, the most recent annual assessment shall be the assessment for such year. The board shall determine when annual assessments shall be paid and may permit payment thereof in installments. During the Development Period, a Lot shall become subject to annual assessments when the home constructed thereon is first sold and closed as a residence. Upon the expiration of the Development Period, all Lots shall be subject to annual assessments. Annual assessments for Lots which become

subject to annual assessments during an assessment year shall be prorated and paid based on the number of whole months remaining in the assessment year.

Section 4. Special Assessments. In addition to the annual assessments authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only for any of the purposes set forth in Section 2 of this article, provided that any such assessment shall have the assent of two-thirds of the Members (excluding Declarant during the Development Period) voting at a meeting of the membership called for the purpose of considering the special assessment. During the Development Period, special assessments may be levied only against Lots which are then subject to annual assessments, unless Declarant consents to a special assessment against all Lots.

Section 5. Uniform Rate of Assessment. Both annual and special assessments shall be set at a uniform rate for all Lots.

Section 6. Individual Assessments and Violation Fines. The Association may levy an individual assessment and/or violation fine against a Lot and its Owner for costs incurred by the Association resulting from an Owner's failure to maintain the Owner Lot in accordance with this Declaration, the Supplemental Declarations, the Board Rules or the ACC Standards, or to reimburse the Association for any damage to property owned or maintained by the Association caused by an Owner or the Owners tenants, occupants or guests, or for any other purpose permitted by this Declaration. An individual assessment shall be paid within thirty days after notice thereof is sent to the Owner.

Section 7. Status Certificates. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an authorized representative of the Association setting forth whether the assessments on a specific Lot have been paid. A

properly executed certificate of the Association as to the status as assessments on a Lot is binding upon the Association as to the date of its issuance.

Section 8. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to first and second Mortgages made in good faith and for value. Sale or transfer of a Lot shall not affect the assessment lien; provided, however, that the sale or transfer of a Lot by Mortgage foreclosure of a first Mortgage to which the assessment lien is subordinate shall extinguish the assessment lien as to payments which became due prior to such sale or transfer; provided, further, that such sale or transfer was made in good faith and not for the primary purpose of avoiding the assessment lien. After a sale or transfer of a Lot by Mortgage foreclosure the Lot and the new Owner shall be subject to the lien and personal obligation for all assessments thereafter becoming due.

ARTICLE V

ARCHITECTURAL CONTROL

Section 1. In General. WALNUT GROVE, SECTION 13, is subject to architectural and environmental review by the Architectural Control Committee (the "ACC") in accordance with this article and the ACC Standards. Each Owner acknowledges that the décor, color scheme and design of his home are consistent and harmonious with other homes in WALNUT GROVE, SECTION 13, and agrees to maintain his Lot and home in such a manner as to maintain and perpetuate visual harmony within WALNUT GROVE, SECTION 13,

Section 2. Procedure. The ACC shall have exclusive jurisdiction over all original construction, improvements, fences and landscaping in WALNUT GROVE, SECTION

13, and all subsequent reconstruction, modifications, additions or alterations thereto. The ACC shall promulgate standards and procedures governing its area of responsibility and practice (the "ACC Standards"). The ACC Standards may impose standards not contained in or stricter than this Declaration, if consistent with the general intent thereof and not in conflict therewith. The burden shall be on the Owners and their builders and contractors to know and comply with the ACC Standards. Plans and specifications showing the nature, kind, shape, color, size, materials and location of all original construction, improvements, fences and landscaping, and all subsequent reconstruction, modifications, additions or alterations thereto shall be submitted to the ACC for approval as to quality of workmanship and design, harmony of external design with existing structures, and location in relation to surrounding structures, topography and finish grade elevation. In the event the ACC fails to approve or disapprove such plans and specifications or to request additional information reasonable required for a proper determination within thirty days after submission, the plans and specifications shall be deemed disapproved. A majority of the ACC may appoint one member to act on behalf of the entire committee and the decisions of such appointee shall bind the committee. All construction shall adhere strictly to the plans submitted to and approved by the ACC. Nothing contained herein shall be construed to limit the right of any Owner to remodel the interior of his home or to paint the interior of his home any color desired.

Section 3. Membership of ACC. The ACC shall consist of three members who are not required to be Owners or occupants of WALNUT GROVE, SECTION 13. During the development period, Declarant shall have the right to elect and remove members of the ACC, unless Declarant sooner waives this right. Thereafter, the Board

shall elect and remove the members of the ACC. The terms of the members appointed by Declarant shall expire upon the taking of office of the members elected by the Board.

Members of the ACC shall serve without compensation.

ARTICLE VI

EXTERIOR MAINTENANCE

Section 1. Owner Responsibility. Each Owner shall maintain all landscaping and all improvements and structures, and all fences (unless maintained by the Association) on the Owner's Lot, including but not limited to the exterior of all structures, all utility lines and drainage facilities, driveways, walkways, and all other improvements located outside, aboveground or underground in a clean and attractive condition, and in good order and repair consistent with the approved plans and specifications therefore. The excessive use or maintenance of statues, figurines, flags, banners, streamers, windsocks, birdhouses, birdbaths, unusual landscaping and other such items which are visible from any street is prohibited. The Board may adopt rules, which may be purely aesthetic in nature, limiting the use, maintenance and location of equipment, decorations, landscaping design and other items on a Lot which are visible from a street. The Board in its sole discretion, shall have the right to require removal on any items which it deems to be aesthetically unattractive or detrimental to the appearance of the neighborhood.

Section 2. Association' Rights. The Association may provide the maintenance (including the correction of any violation) required by Section 1 of this article, if the Owner fails to do so; and charge the cost thereof to the Owner. Prior to performing any maintenance on a Lot, the Board, or a committee appointed by the Board, shall determine

that the Lot is in need of maintenance. Except in an emergency, prior to any maintenance work, the Board shall notify the Owner that unless the specified maintenance is commenced within the time stated in the notice, and thereafter diligently pursued to completion, the Association may cause the maintenance to be performed and charge the cost thereof to the Owner. Upon the failure of the Owner to act within said period of time or to thereafter diligently pursue the completion of the required maintenance, the Association may enter upon the Lot to cause such maintenance to be performed during reasonable hours during any day except Sundays and holidays. Without limiting the foregoing, the Association may pressure wash, paint, repair, replace and care for exterior building surfaces, roofs, gutters and down spouts; clean and resurface paved access ways and parking areas; trim and care for trees, shrubs, grass, walks and other landscaping and drainage improvements; and provide general cleanup and removal of debris. In an emergency, the Association may enter upon any Lot and perform any maintenance necessary to cure a hazardous condition on a Lot at any time without notice. The Association shall not be liable to the Owner or any other person for trespass or injury to person or property as a result of such actions, unless caused by gross negligence or intentional wrongdoing. The cost of any maintenance incurred by the Association under this section shall constitute an individual assessment against the applicable Lot and Owner.

Section 3. Access at Reasonable Hours. For the purpose of performing the maintenance authorized by this article, the Association may enter upon any Lot and the exterior of any improvements thereon during reasonable hours on any day except

Sundays and holidays, except that in an emergency, entry may be made at any time on any day.

ARTICLE VII

DESTRUCTION OF HOMES

Section 1. Total Destruction. In the event of the total destruction of a home, the Owner thereof shall promptly eliminate any unsafe condition and clear the Lot of debris. The Owner may leave the Lot in a clean, orderly and safe condition or reconstruct the home. Reconstruction shall commence within a reasonable time, not to exceed sixty days from the date of the destruction and shall be diligently pursued until completion. The reconstruction shall be approved by the ACC, and shall be in conformity with the plans and specifications of the original structure, subject to changes and modifications approved by the ACC. Notwithstanding the foregoing, no Owner shall be required to reconstruct his Home or other structure, if the Owner is relieved of the obligations of this section by the Board. In such event, the Owner shall promptly clear the Lot of debris and leave the same in a neat and orderly condition.

Section 2. Partial Destruction. In the event of partial destruction of a home, the Owner thereof shall promptly eliminate any unsafe condition and clear the Lot of debris. Within a reasonable time, not to exceed thirty days from the date of the destruction, repairs shall be commenced, and shall be diligently pursued until completion. The repairs shall be approved by the ACC, and shall be in conformity with the plans and

specifications of the original structure, subject to any changes or modifications approved by the ACC.

Section 3. Failure to Comply. The Association may eliminate any unsafe condition and clear a Lot of debris as required by Section 1 or Section 2 of this article, if the Owner fails to do so; subject, however, to the following provisions. Prior to any work, the Board shall determine that the Lot requires specific work to be in compliance with said sections. Except in an emergency, prior to any work, the Board shall notify the Owner that unless the specified work is commenced within fifteen days and thereafter diligently pursued to completion, the Association may cause the same to be performed and charge the cost thereof to the Owner. Upon the failure of the Owner to act within said period of time or to thereafter diligently pursue the completion of the specified work, the Association may enter upon the Lot to cause the specified work to be performed. The Association shall not be liable to the Owner or any other person for trespass or injury to person or property as a result of such actions, unless caused by gross negligence or intentional wrongdoing. The cost of the specified work incurred by the Association under this section shall constitute an individual assessment against applicable Lot and Owner.

Section 2. Architectural Requirements. If an Owner fails to comply with any architectural or environmental requirement of this Declaration, the ACC Standards, or the decisions of the ACC, notice of the violation shall be sent to the Owner allowing the Owner thirty days to cure the violation. If the Owner fails to cure the violation, Declarant and the Association may each enter upon the Owner Lot, make such corrections or

modifications as are necessary, remove anything in violation of such requirements, and charge the cost thereof to the Owner. Declarant and the Association shall not be liable to the Owner or any other person for trespass or damages or injury to person or property in connection with such entry unless caused by gross negligence or intentional wrongdoing. This section is in addition to, and does not limit, the general enforcement provisions of Section 1 of this article.

Section 3. Costs of Enforcement. Any violator under Section 1 or Section 2 of this article shall be liable for all costs reasonably and actually incurred by any authorized person prosecuting a violation of the Governing Documents. Such costs include writing delinquency and demand letters, court costs, and attorney fees, including appeals. Such costs may be recovered regardless of whether suit is filed. If approved by the Board, such costs shall constitute an individual assessment against the applicable Lot and Owner, and may be enforced in accordance with Section 4 of this article.

Section 4. Nonpayment of Assessments. As assessment levied against a Lot by the Association becomes delinquent if the assessment or any installment thereof is not paid on the date due. If the assessment is not paid within thirty days after the due date, it shall bear interest at the rate set by the Board, but not greater than the interest rate on judgment then in effect in the State of Georgia, and shall be subject to reasonable late charges, and all costs of collection reasonable and actually incurred by the Association, all of which shall be deemed part of the assessment, shall be secured by a continuing lien on the Lot pursuant to Article IV, Section 1. Costs of collection include charges for filing a claim of lien, writing delinquency and demand letters, court costs, and attorney fees, including appeals. Such costs may be recovered regardless of whether suit is filed. The

Association may institute legal action to foreclose the assessment lien against the Lot and to collect against the Owner personally obligated to pay the assessment.

Section 5. Sanctions. For violations of the Governing documents, the Board may impose sanctions, including reasonable monetary fines, suspension of an Owner right to vote in the Association, and loss of use and enjoyment of any property owned or maintained by the Association; provided, however, that fines may not be imposed for delinquent assessments, but the Board shall suspend the voting rights in the Association of an Owner who is delinquent in the payment of assessments, and may impose other sanctions against such Owner.

Section 6. Remedies Cumulative. The remedies provided by this article and elsewhere in this Declaration are not exclusive remedies, but are in addition to all other rights and remedies available to Declarant, the Association, the ACC, and the Owners now or hereafter provided by the governing documents, by law, or otherwise.

Section 7. Exemptions and Immunity. When Declarant, the Association or the ACC is granted a right or an exemption by this Declaration, or immunity from liability for exercising a right, privilege or remedy granted therein, such right, exemption and immunity shall extend to all persons acting on its belief, for its benefit, or at its direction, including its directors, officers, committees, members, managers, contractors agents, employees, successors and assigns.
