Each assessment, together with all other charges authorized pursuant to Article IX, Section 4, which are deemed a part of the assessment, shall be a charge and a continuing lien upon the Lot against which the assessment is made from the date the assessment became due, and shall be the personal obligation of the Owner of the Lot at the time the assessment became due. The lien for delinquent assessments shall remain on the Lot and shall pass to the Owner's successors in title. The obligations of this Article shall bind each Lot and

each Owner regardless of whether ownership was acquired by deed or operation of law, and regardless of whether so expressed in the deed or other document of title. Section 2. Purpose of Assessments. Assessments shall be used exclusively for expenses of the Association reasonably incurred in the performance of its duties and responsibilities, including the maintenance of reasonable reserves, and to promote the health, safety and general welfare of the Owners and their tenants, occupants and guests.

Section 3. Annual Assessments. The Board shall levy an annual assessment for each calendar year. The amount of the annual assessment shall be established by the Board by December 1 of each year for the following calendar year, and written notice thereof shall be sent to every Owner. In the event the ACC fails to approve or disapprove such plans and specifications or to request additional information reasonably required for a proper determination within sixty (60) days after submission, the plans and specifications shall be deemed approved. A majority of the ACC may appoint one member to act on behalf of the entire committee and the decisions of such appointee shall bind the committee. Notwithstanding any other provision herein, during the Development Period, no provision of this Declaration, any Supplemental Declaration, the Articles or the Bylaws shall be amended, and no rule, restriction or requirement shall be adopted or imposed, without the written approval of Declarant, which directly or indirectly, by its provisions or in practical application, does any of the following: repeals or amends any provision specifically applicable to the Development Period; repeals or amends Declarant's right to annex

additional property to Pine Log Landing; relates exclusively or primarily to Declarant, or relates to Declarant in a manner different from the manner in which it relates to other Owners; repeals or amends the rights of membership in the Association, or the rights of Declarant as a Member of the Association; repeals or amends the manner of assessment applicable to Declarant or any land owned by Declarant; or repeals or amends any other provision hereof in a manner which would alter Declarant's rights or status hereunder.

Section 6. Severability. Invalidity of any provision of this Declaration by judgment or court order shall in no way affect the other provisions hereof which are hereby declared to be severable, and which shall remain in full force and effect.

Section 7. Perpetuities. If any of the provisions of this Declaration shall be unlawful, void or voidable because of a violation of the rule against perpetuities, then such provision shall continue only for a period of ninety (90) years from the date hereof. The purpose of this section is to prevent a violation of the rule against perpetuities and shall be construed accordingly.

Any agreement for professional management of the affairs of the Association, or any agreement providing for services to the Association by Declarant may not exceed one year, and must provide for termination by either party without cause, and without payment of a termination fee, upon thirty (30) days' written notice to the other party.

Section 2. Insurance. The Association may maintain hazard insurance for property owned or maintained by the Association, public liability insurance covering the Association and its Members for damage or injury caused by the negligence of Association or any of its Members or agents and liability insurance for its directors and officers. All insurance maintained by the Association shall be in such amounts and upon such terms and conditions deemed appropriate by the Board. All insurance proceeds payable to the Association shall be used or disbursed in a manner deemed appropriate by the Board.

Section 3. Indemnification. The Association shall indemnify every officer and director against any and all expenses, including attorneys' fees, reasonably incurred by or imposed upon any officer or director in connection with any action, suit or other proceeding (including settlement of any suit or proceeding if approved by the current Board) to which the officer or director may be a party by reason of being or having been an officer or director. The officers and directors shall not be liable for any mistakes of judgment, negligent or otherwise, but shall be liable only for their own individual willful malfeasance, misconduct or bad faith. The officers and directors shall have no personal liability (solely because they are officers or directors) with respect to any contact or other commitment made by them, in good faith, on behalf of the Association, and the Association shall indemnify and forever hold each such officer and director free and harmless against any and all liability to others on account of any such contact or

Section 5. Notices. Any notice required or permitted hereunder which complies with this section shall constitute adequate notice. The notice shall be in writing and may be sent by United States first class mail. Proof of delivery is not required. If the Association has no address for an Owner, the notice may be sent to the address of the Owner's Lot. If the recipient is not an Owner, the notice may be sent to the recipients current address, or last known address, if the recipients current address is not known. Other reliable methods of delivery and delivery to other addressees are permitted, provided that the sender has proof of delivery to the addressee or that delivery was refused. In an emergency, any type or method of notice may be used which is reasonable under the circumstances.
